

VIDEO DOCUMENTARY ON ARLINGTON EAST HILL CEMETERY

JULY 29, 2017

The Rush County Genealogical Society selected six cemeteries located in Rush County on which to prepare a video documentary. The project is funded by the Rush County Community Foundation.

We are very fortunate to be one of the cemeteries to be selected. Scott Borders and Carol Jones did a wonderful job in narrating the history of the cemetery. The video shows pictures of the cemetery including the gravesites of the first person buried in the Lee family plot, the first person buried in the cemetery after it became a public burial ground, the dollhouse located in section 4 north, and the gravesite of the unidentified remains of the victims of an airplane crash on April 23, 1978.

We want to thank the Rush County Genealogical Society and the Rush County Community Foundation for the preparation and funding of this project. We especially want to thank Carol Jones for her research and presentation.
